Doctors, Pharmacists, Wellness Instructors,  
and Your Personal Trainer all recommend  
drinking plenty of PURE water... Are You?

## Did You Know?

Did you know that bottled water companies use Reverse Osmosis (RO) to purify their bottled water? Technology now makes it possible to have your own compact RO drinking water machine at your kitchen sink.

All our systems can be adapted and connected to your ice-maker for the clearest & purest ice cubes.

Small or Big...  
Single, Double,  
or Triple...

Special systems for special applications.  
Your own filter, made to your specs.

Soft Refreshing Water for  
the entire house.

Metered/On-Demand Auto Back Wash Softener System. Feel the difference in your skin, hair, clothes, dishes, and bathtub. Maintenance free system for your whole house.

## Need service, Maintenance, or Salt Delivery on your existing system?

No Worry, our trained technicians are able to service all brands, all makes, and all models. We have over 60 years of combined experience, and would like to share that with you, to give the best service you deserve.
